

Comrades we are in desperate need of your help in order to keep our new legion clean. We ask you to please consider volunteering a few hours per week to help us with this task. The more members that volunteer the easier the task becomes and the less hours one individual has to undertake. If we get enough volunteers who knows you may only have to help out every 2 weeks or so.

Our Housing Officer Comrade Tom Lamb has prepared the attached list of "Cleaning Requirements" and if you can help out please contact Tom direct at . w_tom_lamb@sympatico.ca

As you may or may not know our legion (including all our bartenders) is run solely by dedicated volunteers and we hope you will consider becoming one as well.

Cleaning duties									
Washroom:
