President's Report

General Meeting date: 17 September 2024

Report: Lyle Brennan, President

I hope everyone has had a wonderful summer. I'm looking forward to re-connecting with everyone as people return from their summer vacations and cottages. We have a busy fall schedule in store as we lead up to our Poppy Campaign and Remembrance Day. We are always seeking people to lend a hand in various capacities.

I'd like to Thank our Executive Members Bert Boehme, Angel Guy, Dave Sereda, Joe Guitard and Michelle Guitard, who took time out of their summer to represent the Branch at the Dominion Convention in New Brunswick. Not as exciting, but a much shorter commute, Comrade Boehme and I represented the Branch at the Zone Council Meeting on Sunday Sep 8 which took place in Orleans.

The Ottawa Senators and Lepine Apartment have renewed their offer of honoring a veteran at each of the 2024/25 season Senator's home game. We had a number of members who were selected to attend. They all said it was a great experience. Nominees must live within the District G area.

Nominations:

1. to ensure the veteran is aware of being nominated
2. the name and the point of contact information of both the veteran
3. A short biography which should include the following information:
 - a. Years of service
 - b. trade/classification
 - c. Deployments if applicable
 - d. Rank attained

Submit the nomination to me at President@rcl641.ca

I once again thank everyone who are supporting our community by contributing to the Barrhaven Food Cupboard donations. We are looking at another RED Bag Campaign to start mid-September in order to further support our community.

The Colour Party has once again been asked to participate in opening ceremonies for the Ottawa Senators hockey games. Our first commitment will be on September 24th. We are looking forward to this continuing relationship this season.

We will also be participating in the Richmond Fair parade on Saturday, September 21st.

Remembrance Day will soon be upon us and we are looking forward to working with the community once again for the local ceremony and parade.

SPORTS REPORT

Summer is a slow time for Legion Sports but we did have an eventful one. After hosting the Zone Washer Toss in June, we did have 3 members qualify for District. Results to be determined.

In July we sent 3 teams to District Golf in Petawawa where we had one team qualify for Provincials in Listowel, Ontario on September 14th, 2024. Luke Helmkey and Mike Ahearn represented Branch 641 very well finishing in second place.

On Saturday September 14th, 2024 we were also able to hold another Interbranch Sporting Event with the help of Dave Sereda, Head of Ways and Means Committee.

Barrhaven competed against Richmond in Golf at Riverbend Golf and Country Club. We had 24 competitors step up to defeat Richmond with Dave St Armand and Michelle Guitard leading the way to win the tournament.

A new event will be coming this year with more information to follow.

CONSTITUTION AND LAWS

The last step to have our Branch Regulations has been completed and we have received the certification.

We have also received feedback regarding our Clubhouse Rules and Branch Policy and Procedure Manual that we submitted in Nov 2023. They advised that our Clubhouse Rules and BPPM have never been approved and therefore, we have to submit an initial request for approval.

They also noticed that some items in our Clubhouse Rules should be moved to the BPPM such as the following:

1. Daily hours of operation
2. Admission to the clubhouse
3. Human Rights
4. Cashing of cheques

I prepared two Notice of Motions with suggested modifications to our Clubhouse Rules and BPPM which are tabled at this time.

I move that Br. 641 donate \$5000.00 to Interval House of Ottawa. Funds are to come out of the Bingo account.

Discussion: This motion came about through discussion with Comrade Joyce Barr.

Interval House of Ottawa - Ottawa's first shelter for women and children fleeing abuse since 1970. It provides support, housing and assistance to women AND their children fleeing domestic violence, sexual abuse and/or other domestic/ partner abuse. Referrals to this facility also come from Ottawa Children's Aid and Ottawa police services. In recent years, from donated funds, this facility was updated to include small pets. This was based on studies that showed many women and children will continue to endure abuse as their partner threatens to torture, maim or kill a beloved family pet if they leave the abusive relationship. This is the only women's shelter in Ottawa to offer this facility for pets which has proven to greatly help women and their children leave chronic abusive situations and also help children adapt to family changes and their new environment.

I move that Br. 641 donate \$5000.00 to Cornerstone Housing for Women. Funds are to come out of the Bingo account.

Discussion: This motion came about through discussion with Comrade Joyce Barr.

Cornerstone Housing for Women - established in 1983, this organization supports vulnerable women of varying ages through their programs and services. Their goal is to help transform the lives of women from crisis to hope, housing and healing. There are currently 5 housing communities in Ottawa working to assist women experiencing homelessness and /or abusive controlling situations. Their services not only help vulnerable women in need but decrease the strain on our city's emergency services while supporting individual physical and mental needs. On average, this organization which has about 200 volunteers plus staff supports or assists about 700 women per year.

MOTION

I move that a donation in the amount of \$2,000.00 be approved for the Barrhaven Santa Claus Parade with the funds to come out of the _____ Fund.

BACKGROUND

Donation to the Barrhaven Santa Claus Parade inc. Is definitely a community driven event that we donated the same amount to last year. Request supporting this year's Barrhaven Santa Claus Parade taking place on November 17th? This popular family event has been a highlight in the community for over 20 years now and it is with the support of great organizations like the Barrhaven Legion that help us to keep it going. Due to the nature of the event, we do have a hard time offering the traditional "sponsorship" package so we call it supporting our event as opposed to sponsoring our event. We can add your logo to our thank you page on our website, give a huge shoutout on our social media and know that you have our heartfelt thanks!

- Projects completed since last report:
 1. Worksheet support to Bar Operations.
 2. Point of Sale troubleshooting for Bar Operations and Accounting Team.
- Projects in progress:
 3. The switch to Rogers is now in the coordination stage. A site survey was conducted on 10SEP24. The installation date is still to be determined.
 4. Terms of reference for Technology Officer still in draft.
 5. Various lists, how-to guides, and other information resources of business value (IRBV) are being digitized.
 6. Reports analyzing the MailerLite data regarding the readership will be submitted on a periodic basis, with notice in the "Projects completed" portion when they are submitted.
- Projects pending:
 7. Once the internet bandwidth is sufficiently robust on site at the branch, testing will take place with a view to offer members the ability to view General Assembly meetings with a link to the branch's M365 MS Teams Event. The test of Teams during the Executive Committee Meeting was hampered by hardware issues (external speakers, microphone, display) and bandwidth. A dedicated system will need to be considered once the bandwidth is available through Rogers.
 8. Develop, test and implement Membership card-scanning (both plastic and digital) to accelerate the sign-in process for attendance during General Meetings.
 9. Upgrade Point of Sale system hardware and the operating systems.

I Move that: The attached FY24/25 Budget for BR641 General Account be approved.

The Budget is highlighted by a continued emphasis on expenditure restraint, with the aim of ensuring the maximization of profits in support of a new Branch Club House. It is compiled from input received from the Executive Committee members.

I would highlight that the budget conservatively projects a small profit at FY end, with the anticipation that revenues/profits will progressively increase over the year as Branch activities return to the norm and our members and their guests return to take advantage of the many activities sponsored by the Branch. The anticipated increase in profits will permit, to the extent possible, transferring funds to our Building and Land Trust Fund for a new Club House. Such amount will be determined at FY end dependent on fiscal performance.

The Budget also anticipates and sets aside funds to replace the hall chairs, which are on their last legs.

I would encourage all members and their guests to use and enjoy their Legion Branch. It is through your participation that we are here and maintain profitability.
